East End, Cochrane, Alberta

Nestled in the East End of Cochrane, this two-story home is awaiting its next owners to make it their own. Located minutes from downtown and surrounded by parks and walking paths that lead up through Glen Eagles and down to the Bow River, it's the perfect location for outdoor enthusiasts, offering the balance of small-town charm and convenience.

Step into this stunning home where thoughtful updates and design meet natural beauty. The main floor has been transformed with rich California Acacia hardwood and a caramelized bamboo kitchen island that is the focal point of this chef-inspired kitchen. The custom cabinets offer ample storage, and a gorgeous glass backsplash highlights the stainless steel appliances and gas range with numerous ovens for those family gatherings. Deer are often spotted out the kitchen window above the sink. Wash your dishes peacefully as you look out to the apple trees and greenspace.

Relax in the living room in front of the wood fireplace and expansive windows that look out into your private yard, surrounded by mature trees. This floor also offers a formal dining room and a bedroom attached to a full bathroom, perfect for hosting guests or as a flexible space for a home office.

Upstairs, you will find a layout that is uniquely different, with vaulted ceilings in the bedrooms,

a balcony off the primary, and a wood-burning fireplace located in a corner sitting area. A walk-in closet and bathroom complete the primary suite. The Acacia hardwood continues to this floor, along with the custom wood-framed doors that make this home stand out through time. Two generous-sized bedrooms and a bathroom complete the second floor.

Downstairs, in the basement, you will find the original wood wainscoting on the walls. This large finished space offers endless possibilities. The outside yard features three decks to relax, BBQ, and entertain, ample space for gardening, and a greenhouse shed perched atop the double detached garage. Parking should not be an issue, as the circular driveway out front is a rare find in Cochrane.
