Arbour Lake, Calgary, Alberta

Located in the family-friendly community of Arbour Lake – the only lake community in Northwest Calgary – this well-maintained modified bi-level is just a short walk to both Arbour Lake School and St. Ambrose School. Residents enjoy year-round lake access with swimming, skating, and community events all close to home. Inside, the bright front living room features large windows that fill the space with natural light, and the open dining area overlooks the living room, creating a comfortable layout for family life. The kitchen offers plenty of counter space and direct access to the back deck and yard. The main level includes three bedrooms, including a primary suite with a walk-in closet and full ensuite. There is no carpet throughout the home – hardwood flooring extends across most of the main floor, and the lower level features newer vinyl plank flooring. This property features central air conditioning for extra comfort on hot summer days and a newer furnace. Situated on a corner lot with no sidewalk to shovel and a front double attached garage.
