Ideal Half Duplex in a Quiet Cul-de-Sac
Welcome home to easy, low-maintenance living! This ideal half duplex is perfectly situated in a quiet cul-de-sac and features zero-scaped landscaping both front and back – no mowing, no hassle, just more time to relax and enjoy. The attached garage provides plenty of room for your tools and toys, while the back alley access offers the potential for additional parking space for your RV. Step inside to find main-floor living at its best. The bright galley-style kitchen and breakfast nook feature sunny south-facing windows that overlook your charming front covered patio. The spacious living room includes a cozy corner gas fireplace and patio doors that open to your north-facing deck and backyard. A versatile flex area offers options for a formal dining space, home office, or reading nook. The main floor also includes two bedrooms, with the primary bedroom featuring double closets, a 4-piece ensuite, and a view of the backyard. Convenient main-floor laundry and a 3-piece bath complete this level. The basement is partially developed with a large family room – perfect for movie nights or hobbies – with the remainder ready for your personal touch. Add another bedroom and bath, or leave it open for storage or a workshop area. With beautiful stone landscaping front and back and plenty of parking options, this property truly lets you move in and enjoy right away.

Built in 2005
